

# Northwood High School Swim Team

## Helping to Provide Meals, Hope & More

Join us in a planned NHS Swim Team community service project in supporting the Loaves & Fishes Ministry of Santa Ana serving meals and companionship to Orange County's working poor, homeless, and other people in need.

**Saturday**  
November 19, 2016  
9:30 am - 1-2 pm

**St. Joseph's School**  
608 Civic Center Drive E  
Santa Ana, CA 92701

As members of the Orange County community, this is our opportunity to make a difference in a small but meaningful way during the Thanksgiving Holiday season.

Northwood High School Student Swimmers will receive community service hours to be logged and signed by the Loaves & Fishes staff. Up to 4 additional service hours may be earned by donating one or more of the following: One \$10 gift card to McDonalds, Burger King or Jack in the Box (each \$10 card equals one service hour) and / or one frozen turkey (each turkey equals one service hour). Any combination of cards or turkeys can earn up to 4 additional hours. The gift cards will be given to the soup kitchen's homeless guests; the turkeys will be given to the needy families.

Attending NHS Students please RSVP on our website home page - [www.nhsswim.net](http://www.nhsswim.net)
